THIS IS A P. HACK
 (S. DISTRICT
 MIDDLE T)
 Thelma Walker Inman Avery AIS #184038
 I received documents from the United States district courts concerning Complaint that I filed on June 30th 2005 for being held past my EOS Date. After receiving the documents I would like to agree with the Recommendation of the Magistrate Judge. That the Complaint against the County Detention Facility, the Lee County Justice Center and the Honorable Jacob Walker III be dismissed due to the fact that I was shown my transcript from the Honorable Judge Walker III court room on Oct. 26, 2004. (Original Court date) which stated that I did receive Jail Credit and was to be released on June 5th 2005. However after filing 1983 form I was told that Major Corbett made a decision that I not be released on my EOS date. I would like to pursue Civil Suit on Sheriff Jay Jones and Major Corbett. I was aware of the fact that I had a hold on me in Auburn for fines. After being held 34 days more than sentence handed down by Judge

I was released with the hold only to be picked back up 14 days ~~late~~ later. if I had been released on my original ~~date~~ ~~date~~ E.O.S date I would have 63 days toward my fines. instead I was released to get a job only to have it taken away.

I Walter Jamar Avery Request that this case with respect to the remaining defendants (Sheriff Jaxbur - under C talent) be referred back to the magistrate judge for additional proceedings 8-13-05
